## PPC-2310T 23"Celeron 2.4Ghz CPU / 256M DDR / VGA / 64M VRAM / LAN / Audio / 2 x USB 2.0 / 2xCOM

- **100% water-proof front**
- **IP-66, 65, 56, NEMA 4, 12**

Rear View
Meet VESA-75, 100

Side View

P-4 Intel Celeron 2.4Ghz CPU, 256MB DDR, 80GB HDD, LAN / 2 x COM / 2 x USB 2.0 / Audio / 3 x PCI slots /

General Specifications

LCD Panel
♦ 23" high-end TFT LCD
♦ Display area : 500(H) x 300(V)mm
♦ 1280 X 768 high resolution wide
♦ Brightness : super high 500 cd/m2,
♦ Contrast ratio : 400 : 1
♦ Number of color : 16.77 million colors
♦ Viewing angles : 170 V; 170 H
♦ Lamp life : 55,000 hours

Touch-screen : optional
Front Panel
Water-proof, meet IP-65, 56, NEMA-4, 12 ratings
Made of 1.6mm ultra thick steel metal sheet

Water-Resistant Front Panel
Meet NEMA-4, 12, IP-65, 56 water resistant
standard. 100% water-proof tested on front
panel

Housing Structure
Made from rugged 1.6mm ultra-thick heavy-duty
steel metal

Wall-mount :
Meet VESA-75 and VESA-100
International wallmount standard.

Touch Screen : optional
5 or 6-Wire long life analog Resistive touch
screen

CPU – Intel Celeron 2.4Ghz CPU
Support all Intel P-4 and Celeron processors

Memory (system) :
Support **DDR** (Double Data Rate) RAM. Up
to 1Ghz DDR RAM. Standard is 256M DDR.

Video Display : AGP 4X (8X is option)
**Video chip SiS 651. Optional GeForce 4
chipset.**
**Support AGP 4 X Ultra high speed AGP 8X
which is 64 times faster than PCI.**

Video Memory : 64MB memory
64MB video memory for ultimate high speed for
3D / 2D graphics alleration.

ActiveX 8.0 and 8.1 supported
Support ActiveX 8.0 & 8.1 for high speed
Gaming

Audio / Sound:
Built in high power 5W stereo speakers for
high quality sound effect. Sound chip RTL
ALC 655 supporting line in, line out, mic.,

Ethernet Network
Built in fast 100/10 Mbps Ethernet with RTL 8201
chip

Optional PCMCIA / CF slot
This is an optional item for PCMCIA and
Compact Flash slot for expansion purpose
(example application : wireless LAN)

7-in-1 Card Reader : built-in
Support all kinds of CF cards, Smart Media card,
Memory Stick, SD card, MMC cards, etc.

FDD : 1 x FDD built-in

HDD : 20 / 40 / 60 GB slim for option
This is an optional item for extra cost.
This is a slim size HDD. Not desktop type HDD.

CD-ROM : built in slim type CD-ROM 24X
This is an optional item.

2 x Serial (COM) ports
1 x serial port is reserved for touch-screen

2 x USB 2.0 high speed port :
2 x USB 2.0 high speed ports. The speed
of USB 2.0 is 480 Mbps. The firewire IEEE-
1394 is 400 Mbps. USB 1.1 is only 12 Mbps.

LPT / Parallel Port : 1 x Printer port
Game Port : 1 x gaming port

Keyboard / Mouse port
PS/2 keyboard and mouse port

TV-Tuner : optional
NTSC and PAL systems

Power Supply
Standard AC-DC power supply 110 – 240V
power supply,
